Absent – None

It was moved by Telford for GCB and Bruellman for WBM to approve the agenda. Seconded by Habben for GCB and Hansen for WBM. All ayes, motion carried unanimously.

Discussion was held between both boards about having joint field trips with the elementary students. They feel that this is a good way for the kids to get to know each other better before they are joined together in 6th grade with the whole grade sharing agreement. They also would like to look into having a joint end of the year track and field day as well.

West Bend Mallard board members would like to continue to discuss baseball in the fall at the next joint board meeting. Both boards would like to get a report from the new Superintendent Paul Peppmeier that is similar to what the past Superintendent Amanda Schmidt did that would share with each board important things happening with the other board.

Both boards agree 2 meetings a year – one in the fall and one in the spring works well. Next meeting will be set later but will look at having it this Fall.

At 7:00 pm it was moved by Telford for GCB and Bruellman for WBM to adjourn. All ayes, motion carried unanimously.
